

A NEW BACON SLICE FOR NEW OPPORTUNITIES

INTRODUCING HORMEL® BACON 1™ HALF SLICE BACON

By creating this half slice, we're bringing you a superior product option at a time when pre-making sandwiches and burgers is more relevant than ever. For grab-and-go, takeout, and offsite assembly, this bacon is perfect right out of the package.

A TRULY PREMIUM BACON BACON PERFECTLY DONE

- It's the same perfectly cooked bacon as the original, just cut in half.
- The taste and quality rival bacon cooked from raw.
- It clearly out-cuts and outperforms conventional fully cooked bacon.

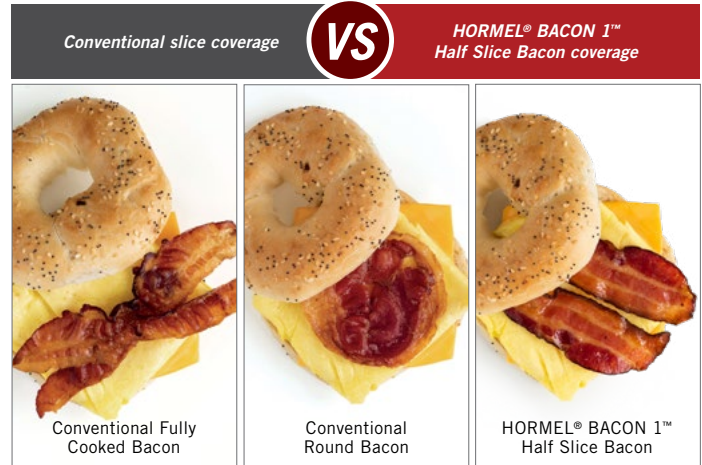

SIMPLIFY YOUR OPERATION EASY, FAST, SIMPLE PREP

- It can be prepared in 5 minutes.
- Far less grease and mess than raw bacon.
- It's already sliced in half, saving a step.
- No paper in the bulk package means less waste and less foreign material.

COST CONTROL

- You have complete cost flexibility over your bacon usage.
 - > Half slices fit your bun/bread applications, providing excellent coverage.
 - > Use fewer slices without compromising coverage.
- No need to cut or fold your bacon strips, reducing labor.
- These premium half slices provide dependable, consistent performance.
- Elevate your current precooked offerings by offering a fully cooked bacon that looks, tastes and performs like a bacon cooked from raw.
